### ENVIRONMENTAL POLICY

*"Manuchar is committed to operational excellence and aligned global practices which limit the impact of its business activities on the environment."*

#### Key Vision:

- Ensuring compliance to local, national and international environmental regulations as applicable to our operation activities.
- Undertaking continual improvement of environmental practices performed within the business to ensure alignment and best practice across the global operations.
- Maintaining a level of environmental responsibility to prevent or reduce the environmental impact of its business activities.
- Maximally insuring compliance to customer's terms & conditions of supply in reference to environmental issues to achieve customer satisfaction.
- Investing in systems, training and equipment to maintain environmental compliance levels.
- Promoting within its affiliates the use of environmentally friendly materials, products and practices
- Raising environmental awareness amongst Manuchar employees and encouraging them to become more environmentally responsible.
